#### ABOUT THE MASCOT

See the cheeky character  
peeking at you on the left?  
That's Chum Chum — the mascot  
that epitomises our playfully serious  
approach with food.

We scrupulously go by the book  
to perfect our dough, but we're not  
afraid to jazz things up a little with  
unexpected toppings. Because you know,  
we wouldn't want you to think that we  
taste like every other pizzeria out there.

Price quoted in Ringgit Malaysia (RM) and  
subject to 10% service charge and prevailing  
government taxes. Find out more about us and
