

Keeping it's menu to a selection of fuss-free local fare, Makamakan is where you'll find all the local flavours under one roof.

Even the most finicky, cerewet tastebuds can find their all time favourite local dishes here. And for those among you more adventurous, there's some local dishes updated with a Makamakan twist.

Santai with us, in a cosy corner of Subang Jaya for some very Malaysian comfort food in a familiar kopitiam setting.
